

AMP looks forward.

Take a closer look at AMP. Independent facts and figures show a clearer picture than headlines ever can.

- One of Australia's largest companies with over 2 million customers
- Rated "A+ STRONG" by Standard & Poor's*
- Nearly \$55 billion in assets, \$1 billion **up** on 2000
- Ranked **No.1** – Best Trauma Insurance 2002 (Personal Investor magazine)
- Ranked **No.1** – Largest in retail superannuation (Plan for Life)[†]
- Ranked **No.1** – Largest Financial Planning Network ("Money Management Top 100" 1999, 2000, 2001, 2002)

In investments, insurance, advice and superannuation, these are figures most companies would give their eye teeth for. Just some of the reasons AMP has plenty to look forward to.
